by adding a factor of 10 percent to all offers, except—

(1) Offers from HUBZone small business concerns that have not waived the evaluation preference; or

(2) Otherwise successful offers from small business concerns.

(c) The factor of 10 percent shall be applied on a line item basis or to any group of items on which award may be made. Other evaluation factors, such as transportation costs or rent-free use of Government facilities, shall be added to the offer to establish the base offer before adding the factor of 10 percent.

(d) A concern that is both a HUBZone small business concern and a small disadvantaged business concern shall receive the benefit of both the HUBZone small business price evaluation preference and the small disadvantaged business price evaluation adjustment (see subpart 19.11). Each applicable price evaluation preference or adjustment shall be calculated independently against an offeror's base offer. These individual preference and adjustment amounts shall both be added to the base offer to arrive at the total evaluated price for that offer.

(b) The purpose of the Service-Disabled Veteran-Owned Small Business Program is to provide Federal contracting assistance to service-disabled veteran-owned small business concerns.

19.1402 Applicability.

The procedures in this subpart apply to all Federal agencies that employ one or more contracting officers.

19.1403 Status as a service-disabled veteran-owned small business concern.

(a) Status as a service-disabled veteran-owned small business concern is determined in accordance with 13 CFR parts 125.8 through 125.13; also see 19.307.

(b) At the time that a service-disabled veteran-owned small business concern submits its offer, it must represent to the contracting officer that it is a—

(1) Service-disabled veteran-owned small business concern; and

(2) Small business concern under the North American Industry Classification System (NAICS) code assigned to the procurement.

(c) A joint venture may be considered a service-disabled veteran owned small business concern if—

(1) At least one member of the joint venture is a service-disabled veteran-owned small business concern, and makes the representations in paragraph (b) of this section;

(2) Each other concern is small under the size standard corresponding to the NAICS code assigned to the procurement;

19.1405 Service-disabled veteran-owned small business set-aside procedures.

(a) The contracting officer may set-aside acquisitions exceeding the micro-purchase threshold for competition restricted to service-disabled veteran-owned small business concerns when the requirements of paragraph (b) of this section can be satisfied. The contracting officer shall consider service-disabled veteran-owned small business set-asides before considering service-disabled veteran-owned small business sole source awards (*see* 19.1406).

(b) To set aside an acquisition for competition restricted to service-disabled veteran-owned small business concerns, the contracting officer must have a reasonable expectation that—

(2) Award will be made at a fair market price.

(c) If the contracting officer receives only one acceptable offer from a service-disabled veteran-owned small business concern in response to a set-aside, the contracting officer should make an

award to that concern. If the contracting officer receives no acceptable offers from service-disabled veteran-owned small business concerns, the service-disabled veteran-owned set-aside shall be withdrawn and the requirement, if still valid, set aside for small business concerns, as appropriate (*see* Subpart 19.5).

(d) The procedures at 19.202-1 and, except for acquisitions not exceeding the simplified acquisition threshold, at 19.402 apply to this section. Upon receipt of notice of SBA's intent to appeal, the contracting officer shall suspend action on the acquisition unless the head of the contracting activity makes a written determination that urgent and compelling circumstances, which significantly affect the interests of the Government, exist. Within 15 working days of SBA's notification to the contracting officer, SBA shall file its formal appeal with the head of the contracting activity, or that agency may consider the appeal withdrawn.
